

Unity School Summer Reading Program - 2016  
Students Entering Grade Three

Dear Parents,

**This year students entering third grade are required to read: Miss Kraft is Daft by Dan Gutman from My Weirder School Series . A Reading Counts quiz is attached that needs to be completed and returned to your classroom teacher the first day of school.**

The following books are also suggested for summer reading. Students are encouraged to read as many books on the list as they choose, as well as any other comparable titles. The books on the list are selected for their applicability to the curriculum as well as their appropriate interest level. Many books on the list have Reading Counts quizzes which students may take after school begins. Enjoy reading and have a wonderful summer!
