

## **“Right Before Your Eyes”**

**LADAHLORD:**

Come with me to see something strange unfold  
Hear the weirdest tale that was ever told  
From this rare depiction  
Some will swear it's fiction  
Yet, each peculiar twist that I tell is true,  
And you  
Shall see it in plain view!

Right before your eyes  
Marvel as magic is on display  
Right before your eyes  
All might seem tragic, but then it's okay!  
Poof! A new surprise!  
Right before your eyes
