

Dear Parents and Students,

Welcome to the 2020-2021 school year!!

Unity School has been working hard to prepare for your family's safety during this global pandemic, and the Lunch Program has made accommodations to ensure this safety as we return to an in-person learning environment. Lunch will still be available from the Unity School cafeteria every day. Starting the 2020-2021 school year and until further notice, lunch will be eaten in the classrooms and in outdoor spaces. In-house, specially prepared takeout/bag lunches will be available for purchase from the Unity School cafeteria. These lunches will be delivered to the classrooms for Preschool through 5th grade. Middle school will pick up their lunches from the cafeteria, while following proper COVID safety procedures.

The menus will be simplified, and takeout lunches will be offered until it is determined that the cafeteria can be reopened. A selection of sandwiches with the appropriate side dishes or a chef salad meal with a dessert and a beverage will be offered. The daily sandwich selections include: a turkey sandwich, peanut butter, peanut butter and jelly, veggie burger, and a cheese sandwich. A special hot "Sandwich of the Week" will also be offered every day, except Wednesday. Pizza is served every Wednesday. For the first week of school, the "Sandwich of the Week" will be a Grilled Chicken Fillet on Bun.

The lunch menu is located on the Unity School Website in the Parents section under the lunch tab. The menu can also be found at www.unityschool.nutrislice.com. There is a Nutrislice app that can be downloaded on your phone. Students order lunch for the day every morning upon arrival at the classroom.

Plain water and milk are the only beverages permitted for snack or lunch at Unity School. A choice of one of these beverages is offered with each purchased meal. **Juice and flavored waters are NOT permitted as per our Wellness Policy.** Those who would like an additional beverage with lunch or those who bring lunch from home can purchase a beverage. Lunch is \$5.75. A super-size meal (an additional sandwich or pizza slice) is also available for an extra \$1.50. A single water or milk is \$0.65. Lunches are billed monthly.

Questions, concerns, and suggestions are always welcome. Please do not hesitate to contact me. Thank you for your continuous support and encouragement.
Sincerely,

Lori Robbins, M.S., R.D.
