

Dear Rising Seventh Graders,

It's time to think about summer reading! I want you to read books that you will enjoy, so I have included a lot of choices.

Here's your Required Summer Reading:

1. Please read *The Giver* by Lois Lowry toward the end of the summer. This way the book will be fresh in your memory when the school year begins.
2. When school begins in August, **be prepared to discuss this book in class.**

Here's your Free Choice Summer Reading Assignment:

1. **Choose and read 2 (two) books from the suggested reading list.**
2. **You must write a half a page review for each book.** Be sure to have a good topic sentence about whether you recommend the book or not, at least three details from the story to back up your opinion and a concluding sentence. The reviews are due by **Friday, September 3, 2021.**

That's it. Enjoy your reading. Read as much as you can, and I will see you in August. If you have any problems or questions, please email me at theinonen@unityschool.com or Mrs. Ferguson at bferguson@unityschool.com

Have a safe and fun summer,

Ms. Heinonen

Unity School Summer Reading Program

Students Entering Grade 7 - 2021

Dear Parents and Students,

The following books are recommended for summer reading. Titles are chosen for their applicability to the curriculum, their recognition in journals, and in some cases, because of awards they have received. Students are encouraged to read as many books on the list as they choose; however, they must read the required title as well as two other books of their choice before the start of the school year. Students may NOT choose a book they have already read, either in class or for another book report. Enjoy reading and have a wonderful summer!

Please note these are suggested books based on published lists for middle school students and have not been reviewed for content. Parents need to use their own discretion when students are choosing books.

Seventh Grade Summer Reading List:

*Required: The Giver by Lois Lowry. Please read this book toward the end of the summer and be prepared to discuss it in September.
