

Dear Rising Sixth Grader,

It's time to think about summer reading! I hope you have lots of time to read books this summer. I want you to read books that you will enjoy, so I've included a lot of choices.

Here's your **Required Summer Reading Book**:

1. Please read this book toward the end of the summer as we will begin the year with a study of it:

- *Refugee* by Alan Gratz

2. You do not have to complete any written work for the required book because when school begins in August, you need to **be prepared to discuss the required book and complete a project**.

Here's your Free Choice Summer Reading Assignment:

1. **Choose and read 2 (two) books from the suggested reading list attached.**
2. **You must write a 6-8 sentence review for each book.** Be sure to have a good topic sentence about whether you recommend the book or not, at least three details from the story to back up your opinion and a concluding sentence. These are due by **Friday, August 25, 2023**.

That's it. Enjoy your reading. Read as much as you can, and I will see you in August. If you have any problems or questions, please email me at bferguson@unityschool.com.

Have a safe, fun summer,
Mrs. Ferguson

**Unity School Summer Reading Program- 2023
Students Entering Grade 6**

Dear Parents and Students,

The following books are recommended for summer reading. Titles are chosen for their applicability to the curriculum, their recognition in journals, and in some cases, because of awards they have received. Students are encouraged to read as many books on the list as they choose; however, they must read one pre-chosen book for August as well as two other books of their choice from the list before the start of the school year. Students may NOT choose a book they have already read, either in class or for another book report. Enjoy reading and have a wonderful summer! If you have any questions, please email me.

Please note these are suggested books based on published lists for middle school students and have not been reviewed for content. Parents need to use their own discretion when students are choosing books.
