Preschool Enrichment Class Descriptions for the Spring 2024

Begins: March 26th & April 1st, 2024 (Monday's Class)

Ends: May 13th & 20th, 2024 (Monday's Class)

Make-up Week: May 21st to 23rd, 2024

Super Soccer Stars (Thursdays)

It is the #1 rated children's soccer program. We aim to impact every child positively through the game of soccer. We use character words such as respect, teamwork, and determination to teach kids life skills as they learn their soccer skills. We use an age-appropriate curriculum and have each child learn independently with their ball.

Instructor: Coach Brittany & Coach James

Location: Green Area in front of Pre-B

Little Chefs (Cooking Class) (Tuesdays)

Join us for a fun after-school educational treat! Come and learn to internalize the foundations of Practical Life. The students will seek ways to use their skills and assume broader responsibilities. The preliminary activities that isolate single skills demonstrate children's unique ability to handle kitchen tools. Preparing and serving snacks (and even meals) is a natural way for children to learn to cooperate and experience community. In addition, Little Chefs will give your child a deeper understanding of what they eat and help them develop healthy eating habits.

Instructor: Ms. Nilda Torres

Location: Orientation Classroom

Hola. Learn Spanish (Thursdays)

This program aims to develop the Oral Spanish Language through art, games, and creative activities. Preschool children from 3 to 6 years old are welcome. The program is focused on promoting and developing oral skills, both listening and speaking. From easy-to-read lessons and illustrations to young learners' interest in singing songs and learning rhymes, students can get a different approach to learning a language. Children will learn specific vocabulary and structures and how to use them through games and fun activities. **Instructor: Mrs. Martha Puentes**

Location: Pre-B Classroom

Writing without Tears (Mondays)

This program suits many children and adapts to their needs as they grow. We understand that Pre-K children learn through movement and participation. In this program, the students will develop essential readiness skills or domains. They will also explore readiness, drawing, alphabet, colors, pre-writing, counting, and lowercase letters.

Instructor Certified: Jeannette Llerena

Location: OR-A classroom

artNEST Program (Wednesdays)

Movement & Art: If you have loads of energy AND love to create art, this class is for you! In this class, kids explore locomotor skills and coordination exercises while partying to music and creative epic process-based art projects. Classes include fun dance routines, community art pieces, and basic principles of body rhythm. This is a one-stop art immersion where kids are encouraged NOT to sit still!

Instructor: Colleen Uspensky

Location: Pre-A Classroom

[STEM with Preschool \(Wednesdays\)](#)

STEM for preschool focuses on science, technology, engineering, and math. The activity will involve one learning area; other times, it will include aspects of all four domains. The best STEM activities are open-ended and have a challenge or question for kids to investigate or solve.

Instructor: Ms. Samantha Frost

Location: OR-B Classroom

[Kids Yoga \(Tuesdays\)](#)

Fostering cooperation and compassion are the greatest gifts we can give our children. Children will learn to move their bodies and mindfully return to stillness. This skill can help them navigate the many emotions and stressors of life. Allison Morris, an Experienced Yoga Teacher, will teach kids Yoga.

Instructor: Ms. Allison McDuffie

Location: Pre-A Classroom

[Touchdown Tots \(Thursdays\)](#)

Only 1-hour sessions for eight weeks. They are designed for beginners, ages 3-5, to learn basic football fundamentals. Each week consists of warm-ups, small drills, and fun mini-games. Athletes learn essential aspects of football, including positions, handoffs, catching, and much more. Practicing new traits each week to ensure kids stay engaged. All players will receive a t-shirt and an end-of-season Award! Develop & refine motor skills & movement patterns as they relate to flag football. Most importantly, we make sure all athletes are having FUN!

Instructor: Thomas Cordasco

Location: Green Area in front of Pre-B

[Hip Hop \(Mondays\)](#)

All sessions will be 1-hour for eight weeks. Join us in the latest hip-hop dance class. We guide your children through a progressive hip-hop routine that includes traditional and new-age hip-hop dance moves. Classes are designed for children ages 4-5. They will be sure to have a fun and memorable experience!

Instructor: Coach Brittany & Coach James

Location: Pre-A classroom

[Performing Arts Puppetry \(Mondays\)](#)

"Roaming in the Rainforest" will be our theme for this season. It is an enchanting enrichment class that embarks young adventurers on an immersive journey through the captivating world of the Amazon Rainforest, inspired by the book "We are Roaming in the Rainforest" by Laurie Kreisler and Anne Wilson. Rooted in the Montessori Philosophy, this class delves into exploring rainforest animals, learning about mammals, birds, reptiles, fish, amphibians, and insects. Through the art of puppet making, preschoolers will breathe life into these diverse creatures using recycled materials and eco-friendly creativity. Guided by the tale from the book, children will craft hand-made puppets, each imbued with their unique personality and backstory, culminating in a unique puppet show that not only entertains but also educates about the wonders of the rainforest ecosystem.

Instructor: Cristina Gazso

Location: Pre-B classroom

[Beading, Creating, & Designing \(Thursdays\)](#)

Dive into the creative and beautiful world of jewelry-making! Students will spark their creativity, express their style, and work fine motor skills while building their own unique pieces of jewelry. Students will participate in learning crafting skills, creating different designs, and building friendships in this enrichment class. Beading, threading, creating, and learning how to tie knots are just a few skills students will take after completing this class...along with one-of-a-kind bracelets, necklaces, and more!

Instructor: Samantha Frost

Location: OR-B classroom

[Little Rookies Baseball \(Thursdays\)](#) ⚾

At Little Rookies, we believe in the power of baseball to positively impact children and support their physical and personal development. Beyond establishing a foundation for proper baseball techniques, our youth baseball program is designed to help children build self-confidence, embrace teamwork, develop sportsmanship, and learn the importance of physical activity, all while having fun!

Instructor: Coach Brittany & Coach James

Location: Green Area in front of Pre-B

[Zumbini](#)

Zümbini program is a fun, engaging, and effective music and movement program for children ages 3 to 5. The program targets four key areas of development: If you are interested in ordering the educational materials (music app, all the music to download, story/lyric book, toy). Focusing on the following areas: Emotional, Social Skill Development, Cognitive, and Fine & Gross Motor Skills

Instructor: Regina Rossi

Location: OR-B Classroom

[Advance Montessori](#)

Embark on an enriching journey with our advanced Montessori activities as an enrichment class. Children will dive into the captivating world of language and mathematics through immersive activities and games. Delve into the wonders of literacy as young learners engage with many options to practice the art of word formation. Meanwhile, students will play games in mathematics, unlocking mysteries and understanding different concepts. Join us for one hour for eight sessions to inspire the curiosity of your child's educational adventure.

Instructor: Cristina Gazso

Location: Pre-B Classroom

General Information for Parents:

- If you plan to bring your child back to campus for enrichment, all children will be dropped off at the west side loading dock and signed in by a Unity School staff member. **Please bring your child by 3:15 p.m.**
- You will get a confirmation email on **March 22nd, 2024**
- Enrichment dismissal continues the same. Parents will pick students up from their kids' assigned classrooms.
- We will strive to make the education of healthy habits a part of the daily instruction, including handwashing, sneezing, and coughing etiquette, using hand sanitizer, washing hands, not touching their faces, and conversational distance.
- If you are late, your child will go to aftercare, and the charge is \$9.00 per hour. If picked up after 4:40.
- All our activities are programmed to be outdoors and indoors.
- **If your child is absent from school in the morning or during the day, you can not bring your child back for enrichment.**
- **The class is non-refundable and non-transferable.**
