

4 Steps TO GET "MATH" READY FOR UNITY SCHOOL

For New Unity School Students

Welcome to Unity School!
We are so excited that you are
joining us.
Our school teaches math one year
ahead, so take some time this
summer to get your math muscles
warmed up!

01

Go to Khan Academy Website

Click the link [here](#)
or scan this QR code:

02

Scroll down to "Math Get Ready" Courses

[Math: Get ready courses](#)

Get ready for 3rd grade	Get ready for Algebra 1
Get ready for 4th grade	Get ready for Geometry
Get ready for 5th grade	Get ready for Algebra 2
Get ready for 6th grade	Get ready for Precalculus
Get ready for 7th grade	Get ready for AP® Calculus
Get ready for 8th grade	Get ready for AP® Statistics

**BE SURE TO SELECT
THE GRADE YOU ARE
ENTERING IN AUGUST**

Example if you are starting 4th
grade in August, you would select
"Get Ready for 4th Grade."

03

Begin with the Course Challenge

☐ COURSE CHALLENGE

Test your knowledge of the skills in this course.

[Start Course challenge](#)

Watch this helpful
video [here](#): or scan
QR code

04

Finish Course Challenge with at least

70% Mastery

Note: You only need to do the Course Challenge - not the entire "Get Ready" course.

A Note to Families:

Learn more about these "Get Ready"
lessons from Khan Academy [here](#)
